USEFUL INFORMATION

## Family activities

---

A cross-generational activity for parents/children or grandparents/children, where parenthood is placed at the heart of the child's activity, with motor skills courses or other activities designed to develop the motor skills of young children.

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.
