Stop Racism In Sport aims to give players in the field the tools they need to combat racism in sport. Initiated by Thierry Witsel, the association quickly brought together many players from the world of sport, including Panathlon Wallonie-Bruxelles, Sport et Citoyenneté, Territoires de la Mémoire and many others from the world of politics, sport and associations.

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.
