USEFUL INFORMATION

Tchoukball

Tchoukball is a dynamic, non-contact team sport that emphasises precision, strategy and cooperation. It is played indoors on a pitch divided into two shooting zones, with the aim of scoring points by throwing a ball towards a specific rebound frame without the opposing team being able to recover it before it hits the ground.

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.
